### TWO LOCAL MEN IN HOSPITAL FOLLOWING ACCIDENTS MONDAY

**Slippery Pavement Partly Responsible For Accidents In Which Arlington Men Are Knocked Down By Trucks—Both Taken To Symmes Arlington Hospital—Truck Driver Badly Shaken Up In Third Crash**

A steady downpour throughout the day yesterday hampered automobile traffic in the town and was responsible for three accidents which sent two men to the Symmes Arlington hospital. The injured men were Parker Webb, 51, of 6 Frost street, Arlington, and William D. Higgins, 40, of 43 Harlow street, also of Arlington.

The first accident took place shortly after nine o'clock in the morning when a truck owned by Vaillancourt market, 200 Massachusetts avenue, and operated by Richard P. Sullivan, skidded at the intersection of Massachusetts avenue and Harlow street, and struck Higgins. The man was picked up and taken to the Symmes Hospital where he received treatment for bruises. He was taken to his home later in the day.

The second accident occurred about a half hour later, when a truck owned by a public utility company and operated by Jacques Hoffman of Arlington struck

Parker Webb while the latter was crossing Massachusetts avenue, near Pleasant street. Mr. Webb was taken to the office of Dr. Daniel W. Shea at 374 Massachusetts avenue where he was treated for bruises to both knees and a fracture of the left wrist. He was then removed to Symmes Arlington hospital where his condition was said to be fair last night.

Both Mr. Webb and Mr. Higgins are well known in Arlington.

In another accident which took place yesterday afternoon at 5:30 o'clock, John J. Condon, of 19 Winter street, Medford was badly shaken up when a truck which he was driving was struck by a sedan automobile owned by Mary M. Toner of 27 Appleton street, Arlington, and operated by James J. Yoner of the same address. The accident happened at the corner of Massachusetts avenue and Mystic street.

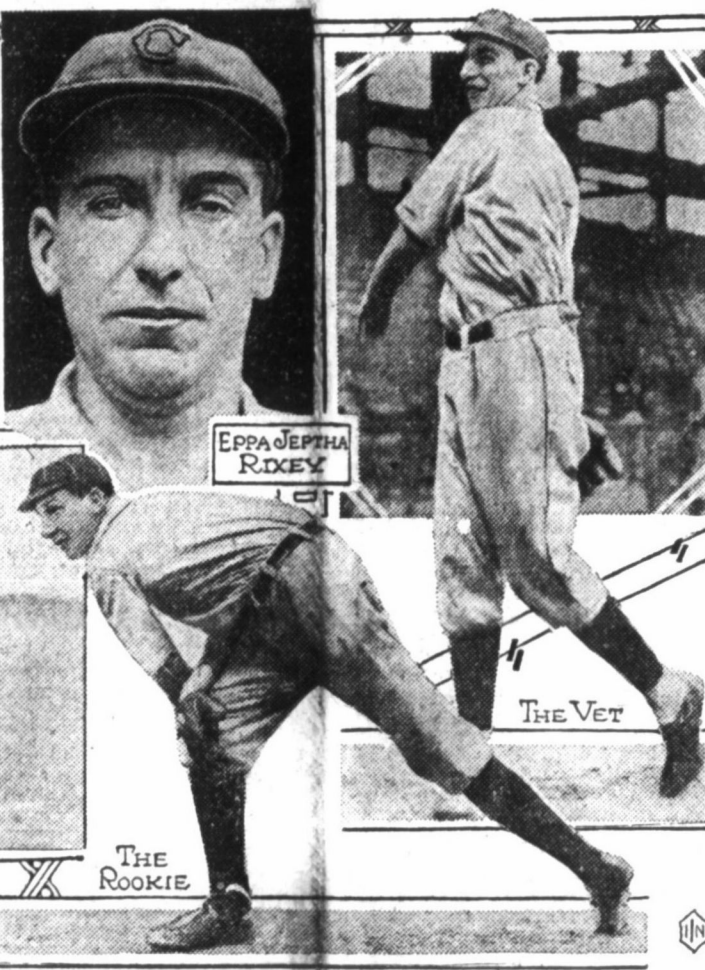

### Newly Married Couple Being Congratulated

Mary R. McKenzie, daughter of Mr. and Mrs. William McKenzie of 31 Boulevard road, Arlington and Herbert S. Hurd, son of Mr. and Mrs. Herbert C. Hurd, 22 Sutherland road, Arlington, are receiving congratulations from friends upon their marriage which took place at the immaculate Conception Church last Saturday afternoon at 5:30 o'clock. The ceremony was performed by Rev. Father Moriarty. The single ring service was used.

The bride was attended by her sister, Claire McKenzie while the best man was Franklin Hurd, brother of the groom. The bride was attired in blue lace and the maid of honor wore brown crepe. Both carried a corsage bouquet.

The home of the bride was beautifully decorated for the reception which followed during the evening. Mrs. William McKenzie, mother of the bride, was among those in the receiving line.

### Faces 20th Year in Big Time

Starting on his twentieth year of continuous service in the big league, Eppa Jephtha Rixey, the six-foot, five-inch pitcher of the Cincinnati Reds, is one of the most remarkable personalities on the diamond today. Rixey has been hurling to big league batters since he graduated from the University of Virginia in 1912. His big league debut was made with the Phillies and, despite his lack of experience, he won ten games and lost seven that first season. He stayed with the Phillies until 1921, when he was traded to the Reds, where he has stayed ever since.

### SERIES OF ARLINGTON BREAKS LEADS TO ARRESTS YESTERDAY

#### Rain Holds Up High Baseball Drill Yesterday

Coach Ostegren's tremendous drive to put a real team on the field this Saturday received a temporary setback yesterday, when he was unable to hold practice due to inclement weather.

Arlington tips the lid off local baseball at the end of this week when it tackles the Winthrop High at Spy Pond field, Saturday. With this game as an object, Ostegren is trying to get his team in the best possible condition. He had hoped to be near this by Wednesday but will have to stand the loss of a day which will prolong his work.

This is Winthrop's first year in the league and they will give a lot of trouble to the home team before they are downed. A victory for either team will mean a step towards the top, but a victory for Winthrop will show that they not only belong in the league but intend to take the pennant back to the sea with them.

#### Clever Work On Part of Sergeant Ryan and Other Local Officers Rounds Up Bold Quartet in Somerville—Loaded Automatic Pistol Found in Apartment—Four To Face Judge This Morning—Three Have Past Criminal Records

Three young men, all of whom have a startling criminal record, and a young lady were arrested by the Arlington police yesterday and brought to the local station where they were charged with breaking and entering, and larceny of clothing and other articles from the Junior High School center and the First Baptist Church in East Arlington some time ago. The arrests were made at gunpoint.

The quartet was brought back by Sergeant Ryan and officers Keaney and Flynn. They were locked up at the Arlington police station awaiting trial in the East Cambridge Criminal court this morning. Those arrested were Stanley Merecki, 11 Varum street, Arlington; Russell Walsh, 328 Prospect street, Cambridge; Cornelius Romaine, 4 Glendale terrace, Jamaica Plain; and Mildred Merecki, who gave her address as 26 Franklin avenue, Somerville. The latter was recently married to Stanley Merecki. All are from 18 to 20 years of age.

According to the police, Walsh has served a term in the Charles street jail, Boston; and both Romaine and Merecki have spent some time in the Lyman School at Concord. Merecki is said to be on parole from that institution at the present time. The trio of young men and Mrs. Merecki were arrested after a hot chase in Somerville. The Arlington police officers searched where they found a pearl handled .25-automatic pistol which was manufactured in Spain. The weapon was fully loaded and ready for use. The local police also recovered a green fur-trimmed coat which was identified by a young lady at the Junior High School as well as a brown sweater, a flashlight, clock and other articles which were identified as those which had disappeared from the Arlington school a short time ago.

It is alleged that this same gang is also guilty of stealing eggs from a truck in East Arlington last Saturday.

The male members of the gang were lined up at police headquarters last yesterday afternoon at which time they were looked over for possible identification as being the persons responsible for a series of holdups in this vicinity recently. It was impossible to positively identify them and they were returned to their cells where they were detained on the breaking, entering and larceny charge.

Merecki is alleged to be a "dangerous" man and has been involved in numerous mixups in the past.

With the holding of a special dress rehearsal in Robbins Memorial hall yesterday afternoon, the students of Marycliffe Academy in Arlington, are now ready for the performance of the three-act operetta "Zurika," or "The Gypsy Maiden," at the hall this evening at 7:45 o'clock. In addition to the operetta, the pupils will present a French Comedy entitled, "Comment Faut-il Parler Français," or "How Should One Speak French." A cast of close to one hundred students will take part in "Zurika." In addition to the principal characters, the cast has a large and colorful chorus of courtiers, court ladies, pages, gypsies and woodland spirits. The scene is laid in the Court of Gayla and a Gypsy Encampment which give a suitable background for specialty dance numbers by a group accompanied by a large orchestra under the direction of Miss Pauline Moriarty. Miss Evelyn Pelletier will accompany the song numbers at the piano. The students of Marycliffe, under the direction of the Sisters of the convent, have produced outstanding operettas in the past and this evening's performance promises to be by far the most colorful. The costumes are rich and settings most elaborate.

### Penn Relay Trials Postponed

Coach Eddie Pidgeon intended to send his Medford High packsters through trials for the Penn relays last Friday but the old weather caused postponement of his plans. Rain set in yesterday to again delay the progress but if the sun shines and the air becomes a bit warmer the boys will be allowed to make their bids for the eight places either today or tomorrow.

Captain Joe Murphy and Eddie Kozowyk appear to be the only two who are assured of places. A keen battle is expected among the candidates for the other six positions. It is expected that others, besides the eight selected will make the trip as the boys are paying their own expenses but only eight may be used in the competition.

The entire squad, which numbers nearly 100 now, is preparing for the opening meet scheduled at Brockton on Friday, May 14. The team shapes up well although the candidates have been out-of-doors for only a week. Several veterans of the indoor season are ready to compete in almost every event with one or two of the new fellows to be counted upon for an extra point or two in each meet.

Bob Moore, who will be entered in the 440, has a mean stride and may be the find of the year. Moore was a candidate for the indoor team but was forced to give up his athletic activities for the time after several blood transfusions for a sick sister.

### Johnny Kelley Did Well

Frank McGrath, the veteran handicapper man of the B. A. A., left Johnny Kelley of Arlington and the North Medford Club, the only scratch entry in the Cathedral 10-mile last Saturday. Johnny's feat of winning the time prize when placing 37th is something but it proves that the 36 who finished ahead of him were burning up the road despite their handicap advantages.

Kelley, who was also scratch man in the recent Presentation C. run of the same distance, had a corrected time of 53 minutes 38 seconds, a time by far the best of any. Cecil Hill the runner was clocked in 58 minutes 37 seconds and he had a two and one-half minute handicap.

Earl Macklin, the youngster from the North Medford Club to finished eighth just inside the prize limit, has been running a number of years but Saturday was the first time in a year that he was fortunate in ranking among the leaders at the finish. Macklin has been disappointed many a time but never disgusted. He fails to finish a race he immediately enters the next one and goes for better results.

Earl had a handicap of 3 minutes 45 seconds and his correct-time was 56:30. Tommy Smith, another diminutive member of the Orange and Black who turned in his best performance of the year in placing third in the Presentation run, didn't do too bad in placing 13th on Saturday.

### Somy With Independents

Siggie Somy, the rangy speed ball finger for Medford High and the Norton Club last season, has definitely announced that he will take his turn on the mound with the Independents this coming season, thus contradicting reports that he would be included on the pitching staff of the Medford Tigers.

Somy will be valuable to the Independents, not only as a pitcher but as a slicker. He packs a wicked wallop and hits well over the 300 mark. He broke up the Medford-Malden finale with a sock into the centerfield stands and then made his City League debut with the Norton Club by poling the apple into a driveway in centerfield on Morrison Park.

## As Vets Made Bonus Demand

Here is the scene at Washington, D. C., when 1,200 World War veterans with banners flying marched to the National Capitol to present petitions bearing 1,500,000 signatures demanding payment of their bonus. Lower photo shows the parade of veterans on the march. Upper panel shows Paul C. Wolfman, of Baltimore, past commander-in-chief of the Veterans of Foreign Wars, as he presented petitions from 48 States to the Ways and Means Committee. The petitions demand immediate full payment of adjusted compensation certificates. Left to right are: Representative Bertram Snell, New York; Senator Smith Brookhart, Iowa; Representative Wright Patman, Texas; Representative Henry T. Rainey, Illinois; Senator Charles McNary, Oregon; and (on the step below) Wolfman.

## St. Clement's High Nine Opens Season Here Friday Afternoon

Opposes Leading Rival, St. Mary's High of Brookline, On Tufts Park—Schedule Released By Rev. Bernard A. O'Kane, President, Calls For 16 Games—St. Mary's of Waltham New Entry—Now Nine Teams

St. Clement's High of South Medford will play a schedule of 16 games in the Catholic League this season according to the list released yesterday by Rev. Bernard A. O'Kane, league president. The season will open on Friday afternoon of this week with St. Mary's High of Brookline, leading rival of St. Clement's, opposing the Blue and Gold on Tufts Park. The season will close on June 10th with St. Clement's visiting St. Mary's at Waltham.

There are nine teams in the circuit this season. St. Mary's of Waltham being the new addition. The original eight teams are St. Clement's, St. John's of North Cambridge, Cathedral of Boston, St. Mary's of Brookline Our Lady's of Newton, Immaculate Conception of Revere, St. Charles of Waltham and Mission of Roxbury. Waltham now has two representatives in the competition.

St. Clement's, which finished in the cellar position last season, has a brighter outlook for the coming campaign, the majority of last year's nine being on hand for Coach Steve Kobolinski to mold a winning combination.

Adrian "Gibbie" Desmond and Eddie Powers, husky backfield aces of last fall's eleven, are expected to be the leading twirlers. Desmond has been with the club for two seasons while Powers showed promise in his first season with the nine last spring.

Freddie Roberts, star infielder and Al Lasewick, hustling gardener, are another pair who are expected to pull the Saints from their lowly position of the 1931 season. Both are hefty stickers.

The St. Clement's schedule follows:

April 15 St. Mary's of Brookline  
April 19 (a. m.) Mission at Roxbury  
April 22 Our Lady's of Newton  
April 26 St. John's at Cambridge  
April 29 Immaculate Conception of Revere

May 6 Cathedral at Boston  
May 10 St. Charles of Waltham  
May 13 St. Mary's of Waltham  
May 17 St. Mary's at Brookline  
May 20 Mission of Roxbury  
May 24 Our Lady's at Newton  
May 27 St. John's of Cambridge  
May 30 (a. m.) Immaculate at Revere

June 3 Cathedral of Boston  
June 7 St. Charles at Waltham  
June 10 St. Mary's at Waltham

## Expect Call For Baseball Candidates

The Medford High baseball candidates are expected to be called out by Coach Ernie Roberts this afternoon. The opening work-out has been suspended for over a week mainly because of the inclement weather and other duties requiring the attention of Coach Roberts.

Prospects for a successful season are yet unknown as there is only one veteran from last season, first baseman Luke Bresnahan. The other captain-elect Al Stanton, did not return to school. How well the 1931 reserve material will shape up remains to be seen.

Three fine pitchers are lost in the persons of Sig Somy, Al Irish, and Dick DeVeer. Bob Hudson, lean substitute football end and basketball center, is expected to lead the mound corps. Hudson has speed to spare but no experience. Paul Finn, who hails from West Medford as does Hudson, may also win a position as a hurler.

The season starts on April 26th with Somerville being opposed at Dilboy Field. Twelve games will be played, all away from home. A few home games may yet be arranged as the school committee has not yet passed upon the schedule submitted by Faculty Manager Kendall, believing that there may be some way to play one or two games on the Fulton street grounds.

Costumes are being done by Miss Dorcas F. Billings, '33, Belmont, and Miss Josephine J. Wardrobe, '33, Medford; Mary N. Perkins, '33, Worcester; and Miss Mildred L. Cawley, '34, North Attleboro. Miss M. Louise Ryan, '34, Swampscott, is superintending the making of posters by James F. Boyle, '35, Somerville; Miss Mary N. Perkins; and Miss Eileen P. Sweeney, '32, Winthrop.

Leslie F. Simmons, '32, Hingham, is Business Manager; Publicity is being handled by Miss Alexa M. MacKinnon, '32, Belmont, and Miss E. Marjorie Wood, '32, Medford. Lighting is in charge of Donald O. Johnson, '34, Belmont, assisted by Miss Ruth G. Coughlan, '34, Newton Center.

### "High School Night" To Usher In "Cock Robin," Tufts Plays

"High School Night" will usher in the presentation of "Cock Robin" at Elmer Rise and Philip Barry, at Tufts College on Wednesday, at 8.15 p. m., on the Jackson Gymnasium stage.

High School students from Belmont, Winchester, Stoneham, Rindge Tech, Medford, Somerville, and Arlington, who are interested in the drama, and wish to know what the colleges are doing in this field, have been invited by Pen. Paint and Pretzels, Honorary Dramatic Society, to a special performance known as "High School Night." The regular performances for the public will be given on Thursday and Friday evenings, April 14 and 15, at 8.15 p. m.

Over fifty students are working to make this play the crowning achievement of the season. The whole production is under the direction of W. Northrop Morse, Professor of Dramatics at Tufts, assisted by Miss Hester M. Shaw, Somerville, graduate student in English.

Warren E. Carley, '32, North Attleboro, has the leading role of George McAlister, a hard-boiled stage director in this mystery melodrama. Mr. Carley, who is a member of 3 P's, is remembered for his acting in Sutton Vane's "Outward Bound", "The Ghosts", and "Hamlet".

Miss Beatrice M. Capodilupo, '33, Somerville, who has done considerable in Tufts dramatic productions, is the heroine, the beautiful Charlotte Maxwell.

The part of Julian Cleveland, a dignified middle-aged lawyer is taken by Wallace W. Robbins, '32, Taunton, President of Pen, Paint and Pretzels and well-known to Tufts audiences from Dunsany's "If", "Hamlet", and "The Polish Jew" by Erckmann-Chatrian.

James F. Boyle, '35, Somerville, seen in "Lady Windemere's Fan", is the hero, Richard Lane. The rest of the characters are: Hancock Robinson—Ernest T. Marble, '32, Worcester; John Jessup—Luther M. Shipp, '35, W. Medford; Alice Montgomery—Miss M. Madeline Halloran, '32, Lynn; Clarke Torrance—Edward Brouder, '35, Methuen; Henry Briggs—Gerald P. The three acts of the play are being prompted by Miss Arlene B. Parks, '33, Stoneham; Miss Heister Gibbs, '32, Hudson; Miss Jean O. Lamb, '32, W. Somerville. The difficult sets of the "play within the play" are being handled by Roger K. Poole, '32, Taunton, assisted by Theodore Packard, '34, Canton. The members of the Stage Crew are: Miss E. Marjorie Wood, '32, Medford; C. Truesdale Fife, '35, Reading; Miss Mary N. Perkins, '33, Worcester; Miss Eleanor L. Haskell, '32, Beverly; Miss Dora L. Blaisdell, '33, Randolph Center, Vt.; Miss Dorothy M. Coville, '35, Marcellus, N. Y.; Miss Elizabeth V. Chagnon, '35, Salem; Miss Margaret F. Brainerd, '35, Salem; Miss Fairlee H. Make-up, which is in charge of Miss Elizabeth S. Macomber, '33, Central Village, will be done by Miss Joan M. Franceschini, '35, Astinippi; Miss Irma M. Illingworth, '35, Worcester; Miss Jean Marshall, '35, Reading; Miss Alma N. Strout, '33, Lynn; and Miss Margaret Dunbar, '35, Norwalk, Conn. Miss Willette C. ## Kelley's French Bull Is Victor At New York

Kelley's Paragon Perfection, a seven-months-old French bull puppy, raised and owned by Dana Wingate Kelley, 44 Terrace road, Medford, proved herself a sensation at the French Bulldog club of America specialty show, held at the Hotel McAlpine, Saturday, in New York city, where all of the best dogs of this breed all over the country gathered to compete for honors.

Perfection won her class and defeated a female who was four months older than herself. She then defeated the winning male, and going to best puppy in the show, defeated some very promising pups, and a dog who was the winner's dog at the big Westminster show held in February at New York, the same honor being bestowed upon the Kelley's Ch. Wood's Jontel, last year.

Many offers high up in three figures were refused for this pup, and judges all over the country who were present claim her to be the best type French bull pup exhibited within the past few years. Several ribbons, cups and medals as well as prize money, were won by Perfection.

## Bray Club Has Squad of Four Full Teams

The members of the John J. Bray Club football team are in the midst of their training practice. Four full teams working out three times a week.

The last session was held on Sunday afternoon at Morrison Park with Coach Jackie Bolger. Charlie Vye and Coffee Wells directing the different squads. The majority of last year's members were on hand together with several new comers who are making bids for regular positions.

The pony backfield worked out on the same team with the first line. The backs included Maloney, Quinn, Cavanaugh and Downes. In the line were Ferri, Ricardi, Gara, Hanley, Montle, Chalmers, and Shebla. Alternating with these, latter group were Clabby, Machele, Geehan, Lewis and in the backfield Murphy, Shanahan, McCullough, and Brown.

Outstanding among the newcomers are Jimmy McGonagle, regular quarterback at Medford High last fall, and Jimmy Kelley, of Boston Trade School, a boy who recently moved to Medford.

Evening practice has been suspended this week but the squad will again get into action next Sunday afternoon at three o'clock.

## City League Meeting On Friday Evening Will Start at 7.30

President James W. Prior of the Medford City baseball league wishes to announce that the meeting of the Aldermanic chamber on Friday evening will start at 7.30 and not the usual hour of 8 o'clock. There is much business to be transacted and in order to complete it by an early hour President Prior has made the change in starting time.

All eight clubs in the league will be required to present its list of 18 players to Secretary Bernard A. Casidy and to post the required bond with Treasurer John J. Bray at this meeting.

## Washburn Meets Masked Marvel In Garden Bout

"Gentleman" Jack Washburn, the erratic play boy who aroused the ire of thousands of customers in the charity wrestling show at the Boston Garden last week, has been signed by Matchmaker Joe "Toots" Mondt to meet the Masked Marvel in the feature attraction of tomorrow night's card.

In order to calm Washburn somewhat and make sure that he will not attempt sure measures to take the decision as he did last week, Mondt demanded that Jack post a \$5000 forfeit. The "Gentleman" has already plunked down a check for the five grand with Mondt.

The main bout will be best two out of three falls. There will be another two out of three semifinal between Joe Devito of Providence and George Kotsanos of Los Angeles besides several bouts of a half hour time limit.

### Tufts Meets Lowell Textile In Opener

The Tufts College baseball team, being raised out on Saturday in the scheduled game with Boston University, will attempt to open its schedule this afternoon at the Oval, opposing Lowell Textile.

Felix Andruskiewicz will start on the hill for the Jumbos with either Mac Budilov or Al Ingraham going behind the bat. Neither of the latter two have seen variety service although both were members of the Freshmen team last spring. They appear on even terms and Coach Nash will make his decision as to the starter just prior to game time.

The infield will have Baitelder on first, Kennedy at second, Hornig at short and Captain Kase at third. Clayman, Verge and Miller will roam in the outfield.

## Bruins Top Forest A. C. In Opener

The first box score of the Medford baseball season shows a close 10-7 victory for St. Joseph's Bruins over the Forest A. C. of Medford in the game played on the Common Sunday afternoon.

Bob Healey and Billy Sheppard led the batting assault with three safeties each, the latter socking one of Steven's offerings for three bases.

Billy Fields, moundman for the winner, was not entirely responsible for the seven runs scored against him, several resulting from miscues in the field by his mates.

Fields whiffed 15 batsmen and walked only three. Strikouts were recorded in rapid succession. Sweatlowe and Steven of the losers combined to fan 18 of the Bruins stickers.

The Bruins, who experienced an undefeated year on the gridiron last fall, now look forward to a successful campaign on the diamond. Frank Daly is the manager and he is anxious to book any Medford team in the Bruins' class.

## Charlie Vye's Danvers High Eleven Scrimmages Peabody High Tomorrow

Charlie Vye of Medford, head coach of athletics at Danvers High who introduced spring football at that school for the first time this year, will send his team through a practice scrimmage with Peabody High tomorrow afternoon at Peabody.

Charlie is gradually placing into the ranks of leading schools in athletics. His team is much smaller than the average but is coming along rapidly and the boys are showing that height and weight are not all the qualifications of a good football player.

## Vernon Cubs' Whist and Bridge Party Thursday Evening

The Vernon Cubs baseball team will conduct a whist and bridge party in Community Hall, West Medford, on Thursday evening. The receipts of this affair will help defray the expenses of the team in starting its season in the City League, the purchasing of the necessary equipment and the meeting of all league obligations.

A meeting was held last night in the rooms of the Vernon club, the senior organization, at which returns were made. Members who have not made returns as yet are requested to do so before eight o'clock on Thursday evening.

## City Bowling League Captains' Meeting Tomorrow Evening

President Philip Hogan has called a meeting of all captains of City Bowling League teams to take place in the Aldermanic chamber tomorrow evening at eight o'clock. Plans for the annual banquet will be made and it is quite important that every captain make an effort to attend.

The season has three weeks to go. The Clowns, last season's champions, are still a few points up on the Bruins and Hillsides but must keep their win record to take the title.

## Church Bowling League Banquet Tonight at 6.30

The twelve teams of the Medford Church Bowling League will bring to a close the 21st season with the annual banquet tonight at the Medford Women's Clubhouse, starting at 6.30 o'clock.

President H. M. Langill will preside. Mayor Burke and the ministers of the different churches have been invited. Prizes to the high averages men, record holders and others will be awarded by the President. The Progressive class won the championship for the third successive year, nipping Lyman A. by a few points.

## South Medford Horseshoe Club Plans New Membership Drive

Reorganization Planned at Next Meeting and Club Quota Will Be Increased From 20 to 100—Anybody in Medford Is Eligible For Membership—New Lot In South Medford Will Be Properly Equipped For Five Courses

Horseshoe pitching will take its place with Medford's leading sports activities this summer. The South Medford Horseshoe Club is making elaborate plans for the season to start shortly and the grand opening of its new courses.

The new site is at the bottom of Sanger street near Combination Park. Two courses have already been completed and when the work is finished there will be five courses in all each properly lighted for night pitching.

The club which has been conducted with 20 members since its inception a year ago, is planning a re-organization before the start of the coming season and will launch a grand campaign for new members. It is expected that the limit of 100 will be reached in the membership drive.

Anybody in Medford is eligible for membership, whether he can pitch horseshoes or not. Those who are not adept in the game will be taught by the leading pitchers of the organization.

LeRoy Copeland, a gentleman in the seventies who has long been interested in the sport, is President of the Club. Frank Bristol is the present champion, being able to ring about half of his tosses.

When the membership drive is over inter-club tournaments will be held to choose the best group to represent the club in matches with Concord, Quincy and clubs in other cities of Greater Boston. All matches will be arranged on the home and home basis, there being at least one per week scheduled throughout the summer season.

## Lakesides To Play Company Five Tomorrow

The Company E basketball team will go after another victory to add to its long list when it opposes the Lakesides of Medford tomorrow evening on the Armory floor. This may be the last game of the season for the military champions unless Manager Reardon arranges another contest with the Teachers.

The Lakesides will present a formidable lineup including the Cochran brothers, Dick and Art, who have been starring for Tufts; Jake Yagjian, a reserve at Tufts; Fred McLucas, Fred Stoddard and Skeets Hudson, former Medford High athletes.

Company E hopes to have Captain Will Colclough back in the lineup for this contest. Will was unable to play last week but his services were not needed, an easy 48-31 victory being the result in the game with Company I five of Stoneham.

If Colclough doesn't play the lineup will have Johnny Glazebrook and Al Colclough, forwards; Bobby Winn, center; Manus Kane and Wanky Berecz, guards.

## Baptist Seniors Won Five Games

The senior basketball team of the First Baptist Church of Medford won five of 14 games played in the season recently closed. The season was considered successful despite the many defeats as it was the first since the team had been organized.

The Seniors got away to a bad start, losing the first three games and winning but one of the first half-dozen played. Improvement was noted as the team moved on to the middle of its schedule and four more victories were scored in the last eight engagements.

The Seniors were victorious over the Cambridge Brownies, Frederick T. McDermott Club seconds, Foster A. C. of Medford, Virings of Malden and Mystics Trojans. Teams defeating the Seniors were the Abbott Class, St. John's Methodist Church five, Fellsay Eagles, Bruce Chapter R. A. F. M. E. Epworth League, Mystic Trojans, Devlin Club and Local 43.

The Senior seconds had a good season, winning six, losing four and tying one. Captain Witham led the first team in scoring, with 62 points. Campbell was a close second with 61. The individual record of both teams combined follows:

## A WAY OF LIFE

"Christianity" it has been said, "has not been tried and found wanting; it has been found difficult and never tried."

We miss the genius of it because we are not willing to work for it. There is nothing worth having in life which does not entail a certain amount of sacrifice to get, whether it be success, happiness or wealth. A mother love might be cited as an exception—but do we really get it if we make no return?

Any religion must be tried to be known, but particularly Christianity, which is a way of life. We can live on a Christian heritage without ever knowing Christianity. It is like a far country of surpassing beauty which we have always intended to visit, but our time has been so occupied by little trips into the shabby houses next door that we have never made the effort.

In times like these when so much that we have valued has been swept away, would it not be wise before we build again to see that we "work not for the food which perisheth, but for the food which abideth unto eternal life?"

## TAX RATES AND PUBLIC OWNERSHIP

Unless figures lie, municipalities which have gone in for public operation of some kind of business tend to have higher tax rates than those which have left business to business men.

Los Angeles, whose tax-free, publicly-owned water and power enterprises are valued at many millions of dollars, is at the top among cities of over 500,000 population, with a per capita cost of government of \$80.12, as compared with a group average of \$64.40. In the next group—300,000 to 500,000—Seattle, of the famous city-owned street railway, leads. In the third group, Long Beach, a municipal ownership town gets first honors, and in the fourth group, Pasadena, which has likewise listened to the blandishments of the politicians, is second. R. H. Ballard, of the Southern California Edison Company, who recently brought out the facts, ventured the opinion that these results did not accrue so much from the loss occasioned by municipal business enterprises, as by the state of mind that goes with putting a city into business.

Whatever the cause, the figures speak for themselves. They show that the best way for a city to get high tax rates is to sanction the waste, ineptitude and occasional graft that accompany public management of electric plants and similar ventures. The corollary of this is that a reasonable tax rate can best be assured by keeping the city out of business and by restricting politicians to the craft of politics.

## GRAFT IN BUSINESS AND POLITICS

Before American Business too bitterly criticizes politics for graft rings, it should sweep its own doorstep, suggests John T. Flynn in the April Rotarian magazine.

"We bribe buyers to take our goods," he writes, "and we bribe superintendents to condemn our competitor's products. We bribe other men's clerks to push our merchandise. We bribe sea captains to put their ships in our dry-docks. We bribe singers to endorse our cigarettes."

We bribe athletes to ballyhoo our golf balls, our tennis rackets, our baseball bats. We bribe actresses to endorse our cosmetics. We bribe doctors to sign their names on our drugs. We bribe chauffeurs who buy gasoline and oil and uniforms. We bribe servants who buy groceries and meats.

"And then some of us hold up our hands in horror at the corruption in politics when we hear some speaky owner has handed a few dollars to a prohibition agent or a cop."

Mr. Flynn cites a case of a Tennessee textile mill, in which one employee was paid \$16,750 from concerns supplying materials. Not only did his employers pay that amount but, it is estimated, they lost an additional \$54,000 due to the inferior materials which the bribed employee had passed. Other cases are reported by the Silk Traveler's Association and the Silk Club, wherein buyers, getting a salary of \$40 and \$50 a week, forced salesmen to pay tribute on every yard of goods accepted. They thus often bring their salaries up to \$10,000 and more a year.

"The greatest curse of this thing," adds Mr. Flynn, "is that when one grafter appears in a trade he very soon makes it almost impossible for the honest man to stay in business."

And, as usual, the public foots the bill. For every \$100 in business graft, Mr. Flynn estimates, there is sure to be at least \$1,000 in loss somewhere which eventually is paid by the consuming public.

Business can help stamp out the bribery parasite by lobbying for state and federal laws similar to the one on New York's statute books, and then by furnishing facts to prosecuting authorities. The Better Business Bureau, Rotary clubs, the Paint and Varnish Association, and other trade groups, have led in curbing the unfair practices and in focussing public attention on them.

## Garden Time Arrives

Daddy Sunshine  
Club Rules

1. Be kind and helpful to others.
2. Look both ways when crossing streets.
3. Always be kind to dumb animals.
4. Write a letter to Daddy Sunshine, or have Mother or Dad write it for you, every now and then.
5. Try to bring a "Ray of Sunshine" into the lives of your parents and others every day of the week and every week of the year.

These rules are not very difficult for good girls and boys to keep. Most of them are kept by them anyway. Mail your letters and stories to Daddy Sunshine, in care of this paper. He will answer them in the Daddy Sunshine Column.

Write on but one side of the paper, and place your age and address on the letter after your name. Give the day, month and year of your birth.

To join the club all you have to do is promise to keep the rules—and keep them.

## About The Trip

Dear Daddy Sunshine:

How are you and all the members? Could we go on that trip on the boat. There are 8 of us. Here is a puzzle of girls:

YETTB  
HLEEN  
YROFL

Well, we must close now. Eight little members, Betty Woods, Jackie Woods, Alice Woods, Flory Bresnahan, Fania Bresnahan, Renee Bresnahan, Elizabeth Lordon and Leona Gilbert.

P. S. I hope we can go.

All who make the trip, Betty, must write individual letters to Daddy Sunshine. You see, that is the only way Daddy Sunshine can be really fair about it. He hopes no one will bring babies along with them as there won't be much of interest for babies to see. Have the other girls write their letters immediately. You may consider yourself one of the winners.

## About A Kitten

Dear Daddy Sunshine:

How are you? I am feeling fine. Daddy, I would like to go see the boat but I think I will not get a chance to go. I will try. Here is a little story.

The Little Gray Kitten

Once upon a time, there was a little gray kitten, who had wandered far away from home. At first she liked all the strange sights she saw, but by and by she began to feel very homesick and wished she was once more cuddled up with her brothers and sisters.

Now the only word this little gray kitten knew was "Mew". Mew! So when she was lonely she would "Mew", when she was hungry, "Mew", when she was cold or tired, glad or sad, it was always "Mew". But out in the wide wide world nobody seemed to know.

Wandering along the street, she came upon a little squirming earthworm. "Mew," said she, "Where is my home?"

The earthworm, however, did not notice the little gray kitten, but crawled away across the street.

She felt very sad indeed but running along she came up to a big black dog. "Mew, Mew," said the little gray kitten. "Oh can you tell me where is my home?"

But the big black dog shook his tail and barked, "Bow-wow, bow-wow-wow-wow."

So the little gray kitten ran away as fast as she could go.

The little gray kitten was very tired but she still ran on, and soon met a big red cow. "Mew, mewew," said the little gray kitten. "Can you tell me where is my home?"

The big red cow however hardly looking at the little kitten stretched out her big head and shouted, "Moo-moo-moo."

Which frightened the little gray kitten so that she jumped over a fence and landed right in the middle of a flower bed.

There she caught sight of a little girl running up to her and with such a sweet smile on her face that the little gray kitten ran toward her and said once more, "Mew. Do you know where my home is?"

"Oh, you dear fluffy gray ball!" said the smiling little girl, catching the kitten up in her arms. "I'm going to take you right home to live with me."

The little girl was the only one who had understood, and the little gray kitten purred softly.

She was happy she had found a home.

I hope I can go with the children. If I can go will you please announce when they start.

Beatrice Breeden,

Fulton Heights

You certainly may come with the group, Beatrice. Daddy Sunshine liked your story very much and he is sure the members will like it. The trip to the boat will be on Friday afternoon, April 22nd. Daddy Sunshine will have further announcements to make this week.

The current attractions at the Regent Theatre this week will delight the most particular patron. Both pictures provide plenty of action and romance. "Graft," starring Sue Carol is the feature picture. The other film on the same bill is Lois Moran's "Men in Her Life," from the sensational novel by Warner Fabian.

All newspaper readers should be interested in "Graft." Universal's fast-moving drama.

The screen play, which deals with the trickery of crooked politicians and the romance of a boy and a girl, is told against the background of a seething newspaper office in a great city, and is said to be one of the season's most intensely interesting stories of its type. The story follows the hectic adventures of a cub reporter in his efforts to unearth a murder committed on the eve of an important election, and the tale moves at a lightning pace. With one young man pitted against the sinister forces of the city, his exploits are fraught with danger, and his life is only saved by his quick wit and his even quicker action.

The cast of "Graft" is headed by Regis Toomey, Sue Carol, Dorothy Revier and Boris Karloff, and also includes such popular players as Richard Tucker, William Davidson, Carmelita Geraghty, Willard Robertson, George Irving and Harold Goodwin. This high-voltage newspaper tale was directed by W. Christy Cabanne. Although Cabanne never was a newspaper man himself, he had the assistance in "Graft" of a number of Los Angeles newspaper men. Cabanne directed "The Lamb," the first picture in which Douglas Fairbanks appeared. For number of years he was associated with D. W. Griffith. He attended the U. S. Naval Academy at Annapolis but left the service for the stage.

A love story that is colorful as well as sympathetic is effectively told in "Men in Her Life," a Columbia feature which opened at the Regent Theatre yesterday with Lois Moran and Charles Bickford in the leading roles. Robert Riskin has adapted it from the well-known novel by Warner Fabian and he has done a neat job—the language is forceful at times and the story told will hold your interest. Briefly, it is the tale of one Julie Cavanaugh, a beautiful society girl, in her quest for romance. She thinks life is cheating her of it. She goes frantically groping for something—something vague and intangible. She finds it, or thinks she has, only to discover that it's a sham. The superficial qualities of the men had fooled her into believing that she had found the real thing. She discovers that the man who was lacking in all the social veneer commonly attributed to gentlemen, was the one real gentleman of her life.

This startling discovery is only made after a series of harrowing but nevertheless dramatic incidents Julia Cavanaugh finds that the suave member of the aristocracy, Count Ivan Karloff, was as rotten as anyone could possibly be, in spite of his perfectly appointed appearance and his charming, cultured manner. Seduction and blackmail were common occurrences for him. Her experience with Dick Webster, young scion of "Bluebook" Americans, was almost as disappointing. When only a week before her wedding to him, her romantically mad moments with Count Orloff are made public, young Webster proves himself a weakling and walks out on her. The one person who stands by her—stands by her so staunchly that he commits murder to spare her reputation, is Flashy Madden, ex-beer racketeer. His "beau geste" convinces Julia that Flashy is "the man in her life."

Charles Bickford as Flashy Madden contributes a really vital screen performance. He makes it as vibrant and as colorful as his much-publicized red hair. Lois Moran is sweet and appealing as Julia Cavanaugh; she enlists your sympathy throughout it all. Victor Varconi is ideally

## The Spotlight on Arlington Sports

By Bob Forest

Johnny Kelley, winner of the time prize in the Cathedral Marathon, this past Saturday had numerous obstacles to overcome in gaining his victory.

He was handicapped from the start by being placed as last starter, on scratch. He had to pass all who were ahead of him which is quite a task in itself.

But the thrill which put the climax on the handicaps happened at the corner of Dudley and Columbia street. Johnny was trotting along when a truck came around the corner and Kelley just jumped in time, being tapped lightly by the truck while in the air.

Richard Staub, '31 who is a member of the Northeastern school of Engineering is out for the track squad at that school.

Theodore Harding on the high school squad looks good to cop an outfield position, if he picks up a little more experience with the maple sticks. Coach Ostegen has been looking him over for the past week.

Joie Keefe is around again after his bad accident at practice last week. He was hit over the eye by a thrown ball and five stitches were necessary to close the wound. He says he will be back this week. Joe is slated for one of the outfield positions from all indications.

# McKNIGHT'S ATTORNEYS NO LONGER ACTING AS HIS REPRESENTATIVES

Attorneys William P. Kelley and William Shaw McCallum who appeared as counsel for Edwin T. McKnight, during the trial of the cases in which he was involved as president of the closed Medford Trust company, are no longer acting for him as attorneys or legal advisors. Mr. McKnight appeared in his own behalf when he appealed from the decision given against him, by Judge Harold P. Williams in the Middlesex Superior court. As a result of the trial, he was found guilty on four counts two of which were filed and the other two requiring him to pay a fine of \$500.

Attorneys Kelley and McCallum declined to act for him in his appeal, and state they have no further connection with Mr. McKnight. An attachment has been filed in Suffolk on moneys belonging to Eaton and McKnight and a claim has been filed by Attys. Kelley and McCallum stating that the money involved had been previously assigned to them in December, on account of legal services.

In many lines of work and experimentation with alternating current, it is frequently felt for a superior, portable, and inexpensive photograph, with which one may work with ease either sustain wave, or transient currents at voltages existing at any point in an electric circuit or network. To meet these requirements, there has been designed a compact and moderate size vacuum tube circuit, which is a line tungsten wire filament, in a magnetic field supplied by permanent magnets. The current and voltage passes through the filament and is deflected by the interaction of its own field with that of

# Clever Program By Sunshine Club Presented Last Night

The broadcast last evening of the Daddy Sunshine club, from station WLOE, following the brief talk of Mayor Burke and the address of City Solicitor Lewis H. Peters, proved most enjoyable to all who listened in.

There were several features. Baby Lenore Simmons and "Mal," as usual, had a clever skit which closed with the singing of "Let Me Hum a Hymn to Her Tonight."

"Mal" presented several comedy songs in his own original way.

A sketch, written by "Mal," was presented by Daddy Sunshine, Paul Petersen and Bob Mills. It was a clever piece and made an instant hit. Daddy Sunshine in his opening, spoke of "What a Sunshine Is," and closed with the announcing of birthdays of club members.

A short play entitled "The False Toothache," was presented by five talented children, including Betty Birch and Jeanne McGuire. The same group has successfully presented plays before during the club broadcast.

Thelma Karp of Medford, sang "Dark Eyes." Thelma's voice registers well on the radio. "Paradise" was beautifully rendered by Phyllis McGovern and Dorothy and Genevieve Fay. Sunshine Musical Sisters, on guitar and piano, presented several selections. "Down by the Sycamore," was sung by Helen Ayers. Helen has a very pleasing voice. Ruth Bearse, talented reader and pupil of "Mal's" gave a recitation of length and interest. "It's a Grand Old Game," written and published by a friend of the Sunshiners, Harry French, was sung by "Mal." Charles DeMone, Sunshine pianist, gave a selection, "Kitten On The Keys," which was cleverly rendered. Katherine Kiley, clever little vocalist, presented a popular song number.

"The Will go 'on the air' next Monday at the usual hour, 7.30.

**Bad Odor Again Hits Cambridge**

Cambridge police received a number of calls with the return of the strongly objectionable odor believed to have its source in an industrial plant in Everett which two weeks ago seemed to settle in the Harvard square and Brattle street sections of the city. The police were obliged to limit their action to an expression of sympathy and called the attention of complaints to the fact that engineers of the State Board of Health are attempting to trace and correct the odor. Other sections of Cambridge have also been troubled by the heavy air.

# MANY ATTEND GENTLEMEN'S NIGHT OF CATHOLIC CLUB

Gentlemen's Night of the Medford Catholic Women's club which was held last evening at the Medford Women's clubhouse was attended by over 200 people.

The guests were welcomed by Mrs. Margaret Reardon, the president and Rev. Dennis A. O'Brien, spiritual director of the club. Mayor John H. Burke was also present and spoke briefly. Joseph Tappan of Revere, sang several selections accompanied by Harry Knight, Charles Doherty and Frank Grady also contributed to the musical part of the evening.

The lower hall was decorated with pink and white and here a fine collation was served under the direction of Mrs. Mary Kenefick, assisted by Mrs. Eugenia Quinn, Mrs. Mary Surrette and Mrs. Mary Sullivan.

# Split Camp in Columbia On Expulsion of Editor

Student Factions Prolong Controversy Over  
Ousting of Reed Harris. Varsity "Alma Mater" Gagged In Protest.

Though the recent expulsion of Reed Harris from Columbia University is unlikely to cause any national or international complications, it is of sufficient moment to the students of that worthy seat of learning to cause the formation of two opposing factions in what had hitherto been a big, happy family. The issue at stake is whether or not Dean Herbert E. Hawkes had sufficient justification for his drastic action in expelling Harris for his editorially expressed opinion of university policies. Last Fall Harris was the author of a vitriolic attack on the varsity sports program and kindred subjects. He charged that college football was a "racket" with more than the taint of professionalism. No action was taken by the faculty on that occasion. Recently the fiery editor indulged in a fulmination against the management of the university dining hall—particularly that known as the Jay Jay. This last venture is said to have been the cause of his expulsion. Whatever the cause, it is certain that there is a decided difference of opinion as to the justice thereof. During the one-day strike of pro-Harris students, the heroic figure of "Alma Mater," which stands on the steps of the university library, was gagged as a protest gesture symbolizing the muzzling of free speech. But anti-Harris forces came to the rescue of their stone mammy and a lively fracas ensued during which fists, over-ripe fruit and ancient eggs were used with gay abandon.

Leroy H. Robbins was elected a trustee to serve until 1933 to fill the unexpired term of the late Irwin O. Wright.

Resignations were received from E. T. Bigelow and John J. Mahon as members of the corporation through removal from the city.

The bank had, as of Mar. 31st, \$19,918 depositors with deposits of \$10,869,629.27 and the surplus was \$863,885.02.

Prior to the bank meeting, Mrs. Greenough served a dinner in the basement of the bank building.

At close of meeting Dana L. Sylvester, Executive Manager of Savings Bank Association of Massachusetts spoke on Savings Bank work in general. He also spoke of the excellent manner in which the Medford Savings Bank came through with flying colors during the last part of 1931, meeting all withdrawals on demand and being liquid.

At a Trustee's Meeting held immediately after the Corporation meeting John W. Rockwell, Thomas D. Collins and Isaac S. Hall were elected a Board of Auditors for the Trustees for the ensuing year.

The Board of Investment consisting of Arthur D. Hall, Hervey A. Hanscom, Sidney Gleason, Josiah E. Gates and Frank G. Grady continued in office, as well as Earl B. Munro, treasurer and George S. Rawlings, assistant treasurer. George S. Rawlings was elected clerk of the Board of Investment.

**Fellsland Council  
Medford District  
Prepares For Camp**

Scout Executive Harry T. French attended the Seascout Training conference held at the Boston Yacht club, from noon on Saturday to 6 p. m. on Sunday. Thomas Keane, National Seascout director, was in charge. The Seascout branch of the Boy Scouts of America provides a program for the older Scout, the entrance age being 15. No attempt has yet been made to start Seascouts in the Fellsland Council. It is expected however that Seascout Leaders Training courses will be put on by the Council soon. The present plan of organization of the Seascouts involves the organization of Seascout patrols within the land Troop. When the Seascout Patrol has increased in membership to the point where such organization is desirable, a Seascout ship is organized. The lure of this program together with the splendid character training values of the traditions of the sea, make it a very valuable asset to the council and the community in which the program is developed.

**Camp Fellsland**

As announced before, Camp Fellsland will open on July 2, and will close on August 27. Whereas the past two years have shown an enrollment of 45 boys in the first week of the season, plans are being made for sixty boys in the first week of camp of the 1932 season. Even though it may seem a long way off, the program for the first week of camp has been developed as follows:

Saturday, July 2, opening day. Scouts will register at the Camp office during the afternoon.

In the evening the first campfire of the season will be held. Old timers will recall that at the closing campfire last year, an old trunk was buried under the embers of the fire. This year at the conclusion of the campfire ceremonies, the old trunk will be dug up and all the mementos which the boys placed in it last summer will be returned to their owners. Many of the boys who were present at the closing campfire last year are eagerly looking forward to this event.

Sunday, July 3, in accord with the usual Sunday program at the camp, boys of Roman Catholic faith will attend mass in Amesbury. A service for the Protestant boys will be held at the camp.

Monday, July 4, this will be one of the biggest days of the whole camp season.

The morning will be devoted to the firing of fireworks which the boys may have brought to camp, under careful supervision and in restricted areas. Scouts will be required to check their fireworks with the camp office of arrival at the camp, and withdraw them from the office on the Fourth.

During the afternoon a program of swimming and boat races will hold the attraction of the Scouts. Camp Pow Wow of the Lynn Council will join with Camp Fellsland for a big campfire program in the evening.

Tuesday, July 5, and Wednesday, July 6, the camp will return to the usual weekday programs of Scoutcraft, athletic meets, games and other activities.

Thursday, July 7, is another big day in the camp season, for 6.30 p. m. on that day the Opening Banquet will be served. Scouts who have been to camp the past two seasons will remember with pleasure both the Opening and Closing Banquets. All the Scouters of the Council are invited to join with the boys in this event.

Friday, July 8, as is the custom the Court of Honor will be held Friday evening. This particular court will be of special interest as it is the first of the season. And so with more Scouts to register in the camp the next day the program of the first week comes to a close. In view of the fact that this is the George Washington Bi-centennial year special emphasis will be laid on the character and biography of this great American. The campfire talks, the Retreat ceremonies will be so promoted as to instill in the hearts and minds of the young Americans who come to Camp

Trust writs were served on the Atlantic National Bank to attach bank accounts of the parties named in this bill.

**"Nora Wake Up" Success For Middlesex Chapter**

"Nora Wake Up" as presented by the O'is Dramatic Club, for the Middlesex Chapter, O. E. S. on Saturday evening was a great success. This Dramatic club has made a name for itself and its productions are always well attended.

The cast included Dorothy White, Cassie F. Godwin, Ray B. Craft, William G. Scott, Walter Q. Phelps, Martha Lee and Leslie H. Phelps.

Andrew S. Scott, P. P., was general chairman of the evening and also program chairman.

Candy was sold during the evening under the direction of Mrs. Jessie B. Robes, assisted by Mrs. Marietta V. Lincoln, Mrs. Hazel R. Lee, Mrs. Dorothy Westcott, Mrs. Irene D. Knox and Mrs. Elsie M. Christiansen.

Music for dancing was furnished by a local orchestra.

About 30 members of the Fireside Forum of the Congregational church met at the church at four o'clock Sunday afternoon to attend in a body the spring conference of the Young People's Council of the Woburn association in the Hancock Congregational church in Lexington.

Fellsland a greater love for America and its institutions. Thinking people within the territory of this council will realize that in a sense Camp Fellsland is a school of citizenship, a vital necessity in these times.

**Troop 7 and 17**

Troops 7 and 17 have completed their plans for a six day trip to Camp Williams in Lexington. The trip will be held the week of April 18th. The Scouts will leave Medford the morning of April 18 and will return to their homes Saturday afternoon, April 23. The Troops will again be in charge of Assistant Scoutmaster Edward A. Zink of Troop 7 who has successfully conducted several trips of this nature during the past year. Joseph M. billia, Junior Assistant Scoutmaster of Troop 17 will serve as assistant leader. It is expected that a goodly number of the Scouts of these two Troops will go on the trip because they know that there will be a good time in addition to an opportunity for passing Scout tests.

**Troop Reports**

The Troop 4 Drum and Bugle Corps is practicing hard in preparation for the Patriots' Day parade. Last Saturday each Patrol of the Troop went on a hike. The Patrol Leaders of these Patrols will report on their hikes at the Troop meeting Friday evening.

**Troop News**

Scout troops of Medford are urged to send notices of troop events to the Scout office for publication in the Mercury. Only such items as are received from the troops will be published in this column.

**Spring Cleaning Time Finds Girl Scouts Busy in "Homes"**

Spring cleaning is no chore to the Girl Scout, who finds fun in fixing up her troop house, or "little home," in preparation for the activities which will center about Better Homes Week, April 24-30.
